The Board considers Ms. Sun to be independent and recommends her to be re-elected.

The Board noted the positive contributions of Mr. Wong to the development of the Company’s strategy and policies through independent, constructive and informed contributions supported by his basic knowledge of operations of listed company and compliance requirements, skills, experience, expertise, professional knowledge and qualifications and from his active participations at meetings. ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution 5(A) will be proposed at the Annual General Meeting to grant a general mandate to the Directors to exercise all powers of the Company to allot, issue and deal with additional Shares up to 20% of the number of the issued Shares as at the date of passing of the resolution in relation thereto.

In addition, subject to a separate approval of the ordinary resolutions 5(B) and 5(C), the number of Shares bought back by the Company under ordinary resolution 5(B) will also be added to extend the 20% limit of the Issue Mandate as mentioned in the ordinary resolution 5(A) provided that such additional amount shall not exceed 10% of the number of the issued Shares as at the date of passing the resolutions in relations to the Issue Mandate and the Buy-back Mandate.

BUY-BACK MANDATE

An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Buy-back Mandate to the Directors to exercise all powers of the Company to buy back Shares representing up to 10% of the number of the issued Shares as at the date of passing of the resolution in relation to the Buy-back Mandate.

Save as disclosed above, there is no information to be disclosed pursuant to any of the requirements under Rule 13.51(2)(h) to (v) of the Listing Rules and there are no other matters in relation to Mr. Wong that need to be brought to the attention of the Shareholders.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Buy-back Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued Shares comprised 1,941,817,142 Shares with nominal value of HK\$0.1 each. Subject to the passing of the resolution granting the Buy-back Mandate and on the basis that no further Shares are issued or bought back before the Annual General Meeting, the Company will be allowed to buy back a maximum of 194,181,714 Shares which represent 10% of the number of issued Shares during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the date on which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF BUY-BACKS

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek the Buy-back Mandate from the Shareholders to enable the Company to buy back its Shares. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

Buy-backs of Shares will be financed out of funds legally available for the purpose and in accordance with the memorandum and Articles of Association, the Listing Rules, the Companies Law and any other applicable laws. Any buy-back by the Company of its own shares may be made out of the profits of the Company or out of a fresh issue of shares of the Company made for the purpose of the buy-back or, subject to the Companies Law, out of capital and, in the case of any premium payable on the buy-back, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Law, out of capital.

The Directors have no present intention to buy back any Shares and they would only exercise the power to buy back in circumstances where they consider that the buy-back would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Buy-back Mandate was to be exercised in full, it may have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2019, being the date on which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING OF THE DIRECTORS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, if the Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Buy-back Mandate in accordance with the Listing Rules, the memorandum and Articles of Association of the Company and applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Buy-back Mandate is approved by the Shareholders.

EFFECT OF TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Shum is deemed to be interested in 1,195,072,000 Shares under the SFO, representing approximately 61.54% of the issued Shares. 1,195,072,000 Shares were held by Asiaticiti, which is in turn 60% and 40% owned by Renowned Brand and East Profit, respectively. Renowned Brand is wholly owned by Mr. Shum and East Profit is wholly owned by Ms. Li, the spouse of Mr. Shum. Ms. Li, therefore, is also deemed to be interested in 1,195,072,000 Shares under the SFO. In the event that the Directors should exercise in full the Buy-back Mandate, such interests will be increased to approximately 68.38% of the issued Shares.

In the opinion of the Directors, such increase would not give rise to any obligation to make a mandatory offer under Rule 26 of the Takeovers Code. Accordingly, the Directors are not aware of any other consequences which arise under the Takeovers Code as a result of any buy-back of its Shares by the Company.

As the exercise of the Buy-back Mandate may result in the Company's public float falling below the prescribed minimum percentage level as required under the Listing Rules, the Directors have no present intention to exercise the power to buy back Shares.

SHARE BUY-BACK MADE BY THE COMPANY

The Company had not bought back any Shares on the Stock Exchange during the six months period immediately preceding the Latest Practicable Date.
